

# PET SAFETY

## ENVIRONMENTAL SAFETY:

- Clean up spills around pet bowls promptly to avoid slips
- Keep areas where a pet is likely to sleep, play, or eat well lit
- Use nightlights to improve visibility in dark areas to help you see your pets
- Pick up pet toys in high traffic areas

## PET BEHAVIOR MANAGEMENT:

- Ensure pets are trained to minimize behaviors such as jumping or pulling on a leash
- Discourage pets from lying next to your bed at night or at the foot of chairs

## PHYSICAL AWARENESS PRECAUTIONS:

- Always check your surroundings before getting up to see if your pet is nearby
- Be mindful of pets lying on the floor and avoid stepping over them

## ADDITIONAL SAFETY MEASURES:

- Add a bell to your pet's collar to know when it is near
